EXPERIENCE

UX/UI Designer *Mean Street Tattoo – Remote*
May-June 2021

- Created a responsive website design for Mean Street Tattoo, a tattoo shop located in Greenpoint, NY, to increase client engagement.
- Developed new style guides and a UI kit for the website

Facilitator and Makeup Artist *Sephora – Prudential Center Boston, MA*
2017 - 2020

- Coordinated daily classes for clients to learn about makeup and skincare applications
- Led team meetings to discuss ideas regarding class and coaching optimization
- Provided education training for coworkers
- Delivered constructive feedback to peers for consistent development
- Utilized proprietary company technology to elevate client experiences
- Coordinated and led classes for the public in-store

Service Coordinator *Halo Network Inc – Amityville, NY*
2016 - 2017

- Scheduled and coordinated meetings, appointments, and travel arrangements for a caseload of up to 40 individuals with developmental disabilities
- Advocated for participants' rights and safety
- Maintained current and accurate participant records including eligibility documentation, ISP with all required attachments, written evaluation notes, reports, medical, financial, and benefits information, and all Waiver and MSC enrollment documentation with the utmost discretion while satisfying HIPAA compliance
- Developed funding proposals for new services, equipment, etc. through the DDSO, other OPWDD sources, state or federal grants

Research Associate *Agency Access – Hauppauge, NY*
2015 - 2016

- Researched appropriate content to add to the computer database while accurately collecting data
- Worked with teams to update computer database
- Gained expert proficiency with Microsoft Office suite
